

Submitter: David Klaus

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB1098

There have been far too many instances of what constitutes pornographic materials available in school libraries. Preventing books that promote radical ideologies with regard to gender and sexuality from getting into the hands of minor children is an obligation, not an option. What you call "discrimination," is what many refer to as a common sense approach to age appropriate education. Therefore, I am dead set against this bill.
