

Submitter:

Diane Noble

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB1003

Please do not support this bill. We must find ways to support those who are terminally ill, not speed up the process and take away their best decision making tool, time. 48 hours and administered by other than a dr does not show compassion and support for the terminally ill. It confirms that they are a burden and "let's get this over with".

Sincerely, Diane Noble
