Measure, Appointment or Topic: HB3362

I strongly oppose HB 3362, the tire tax bill. This proposal will impose an unfair tax on every tire purchased, but the funds will not go toward fixing Oregon's roads or bridges. Instead, they will be diverted to fund mass transit and environmental programs, will not address our immediate infrastructure needs. Oregon's roads are in immediate need of repair, and we cannot afford to divert funds away from maintaining and improving our highways. I urge you to reject HB 3362 and focus on solutions to fix our roads.
