3rd of March 2025

Dear Members of the Senate Judiciary Committee:

I am writing in support of SB 993. SB 993 would grant access to booking photos to private investigators. I conduct criminal defense investigations as a part of my practice and the investigations that I conduct would benefit from my being able to access booking photos quickly and efficiently. It would also create some parity between the defense and the state in that the state can already access those photos immediately.

Sincerely,

Daniel Kraus
