

Submitter: Richard Locke

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

This is just a bill to patronize unions in Oregon. Union Employee's are protected by union during strikes. Union Employees monthly contribution in part is to cover them while striking amongst other wonderful benefits protected when they walk off the job. They choose to leave....I choose to leave a job I can not collect. Why should they.
