

Submitter: S Meyer

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Heck no. We and our employees are already being taxed for ODOT and other highway projects we do not benefit from in Central Oregon. Many times in the past the Legislature and the Governor have overridden the desires of the people, so we don't hold a lot of hope that our opposition will ever be seen or heeded, but we still have to make an attempt.
