Measure, Appointment or Topic: HB3362

I oppose HB 3362. This bill is adding additional cost to every tire I purchase. THIS IS A HIDDEN SALES TAX!!! We have voted down state sales tax at every turn. This type of taxation has not been voted on by the people. Every year additional taxes are being imposed on Oregonians, ex: STT, PFL, CAT, etc. We cannot afford this and we have no say in how this money will be managed. VOTE NO ON HB 3362!!!
