

Submitter: Gladys Kauppila

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1003

I do not believe in suicide, even in long term suffering or excessive pain situation. Each person has an a divine time to be born and to die. I have stood by 3 loved family members as they passed from earth, a deeply spiritual experience. Assisted suicide raises ethical and moral issues, and who makes the decision?
