

Submitter: Ginger Larcom

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1003

I am vehemently opposed to SB1003. Why would we rush people into choosing to end their life? Shortening the waiting period to just 48 hours can open up opportunity for legalized murder of vulnerable individuals. Those who are considering ending their life should not be pressured into quickly making a life-threatening decision (quite literally).

This bill is completely immoral and shows no value for human life!
