Dear Sir/Madame,

I am writing to OPPOSE TAX ON TIRES! Please stop taxing every part of our lives. This tax doesn't even go to road repair! You are imposing a tax statewide that only benefits Portland. I could care less about the railway that is hardly full of people. I don't ride Max because of the nutjobs in downtown that are dangerous. Wildlife crossings are not that important. You know what is? Maintaining roads! Tires are already sky high thanks to inflation and cost of oil. ODOT cannot manage the funds they do have, i.e. a billion accounting error???? Please. You do not need any more of my hard earned money.
