

Submitter: Kathryn Harmon

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB1098

I grew up in Oregon with family, teachers, and librarians all instrumental in helping me develop a lifelong love of reading. All of those books I read helped me become a better person -- especially the ones that tackled difficult subjects and contained grownup content. The Freedom to Read should never be limited. Please support all Oregon children's right to access books without fear that they will be taken away.
