

Submitter: Gordon Molitor

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB88

Dear Chair Sollman, Vice-Chair Brock Smith, and Members of the Committee,

My name is Gordon Molitor, and I live in Portland. I am writing in support of SB 88 to make sure that advertising, legal and lobbyist fees come out of company profits, not rate payer pockets.

I support SB 88 because I think it is unfair for a for-profit, corporate utility to charge customers for their lobbyists, lawyers, and advertising directed at affecting state or federal policies or regulations, or to pay for their membership fees to industry associations.

I believe that they have a right to do all of those activities, just not at customer expense.

Thank you in advance for your support of SB 88.

Sincerely,
Gordon Molitor
