I oppose this tax. We Oregonians have quickly become one of the overall highest tax payers in the country. This constant assault from Oregon legislators on the hard working Oregonians shrinking budgets has gone too far. If you need more revenue, reduce Administrative salaries, stop funding the homeless, stop funding illegals, and seriously reduce funding of all state-wide NGOs. At the rate you are going those of us who work will flee the state leaving you ONLY with the non-working.
