Measure, Appointment or Topic: HB3362

I am in opposition of this bill due to the fact that it will unjustly tax working-class Oregonians, (and all Oregonians, for that matter). There is no evidence that the tax dollars collected will actually go to repairing roads or improving transportation. This added tax would only further burden tax-paying Oregonians, while offering no clear benefits.

Working Oregonians don't need this extra cost, and I strongly urge you to vote NO on HB3362.
