

Submitter:

Brian Foster

On Behalf Of:

Committee:

Joint Committee On Transportation

Measure, Appointment or Topic:

HB3362

We are taxing Oregonians for roads that thousands of tons of product and tourism degrade our highways.. We need to focus on our State not the people whhho don't want to work and take our welfare while making our drug problems worse. We already pay a federal tax on our tires as is. Oregons tax and spend system is destroying our state economy while focusing on all the wrong problems. Make our schools work not woke!
