

Submitter: Rebecca Chapman  
On Behalf Of: Myself  
Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water  
Measure, Appointment or Topic: HB3103

I urge you to reject House Bill 3103,  
which would force the Department of  
Forestry to log our public forests at  
reckless and unsustainable levels.

Oregonians expect their leaders to  
stand up for our environment, not  
cave to the demands of timber  
executives seeking bigger profits.

The State Forest HCP was developed  
with years of public input, and the  
courts have upheld Oregon's right to  
manage these forests for multiple  
benefits (County of Linn v. State of  
Oregon).

Oregon's state forests are meant to  
serve all of us. Now is the time to  
make it clear that these lands must  
be managed for clean water, wildlife,  
recreation, and future generations  
not just logging.  
Thank you
