

Submitter: Elaine Lavington

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

No on HB 3362. Tires are expensive enough as it is without adding on this extra tax. Oregon does not need to generate more tax revenue. We are already one of the most taxed states. Vote NO on this terrible idea of a bill. Why did the Department of Transportation have a big shortfall of 1 billion dollars. Where did the money go?
