

Submitter: Cindy Schmidt

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

I urge you to reject HB 3362 and focus on real solutions to fix our roads. We do not need another tax with funds diverted to other programs and projects. We require and owe by our Oregon government focused and authentic attention to Oregon's infrastructure, followed by transparent and direct action in maintaining and improving our highways now. Please remember Oregon consists of all counties and all constituents.
