

Submitter: Katie Hyneman

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB78

My farm has been paying high property taxes on farmland with farm houses on it since the 1950's with the plan that our family can have the right and have the freedom to raise their children in a newer house that doesn't have an 1800's dimensional floor plan. Should the right to expand and build be determined by legislature? I think not.
