

Submitter:	Sue Craig
On Behalf Of:	Oregon Unitarian Universalist Voices for Justice
Committee:	House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic:	HB2679

As an organization of Faith, we are in support of our pollinators! We recognize the interconnected web of life, and wish it to continue. When we kill, or destroy the ability of bees, butterflies, and all pollinators to pollinate, we are truly harming all living things. Please help us make our earth livable for all creatures.

Thank you all for taking the time to consider this very important part of our interconnectedness. Sue Craig
