

Submitter: Robert Hart

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB77

The specific restrictions on resource lands make it impossible for a renter to conduct a home occupation as the change limits the operation of a home business to only property owners. Additionally in many cases during winter and times when farm operations are slowed down and income is limited, a home occupation helps to sustain small family farms. This rule is punitive and should not be approved.
