

Submitter: Diana Myers

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

This would be a very great hardship for many of us. With many of the newer cars require replacing all 4 tires instead of just one, that means this would result in not only the high cost of a tire but also paying 12% in tax. This would be a great burden for many of us. With the already high cost of living, this is unsupportable.
