

Submitter: Nancy Hildebrandt  
On Behalf Of:  
Committee: Senate Committee On Natural Resources and  
Wildfire  
Measure, Appointment or Topic: SB788

I'm writing in support of allowing more income-generating activities to keep farmers able to live on their farms. I don't live in eastern Oregon but I'm submitting testimony because I wish we had this kind of support for farmers in western Oregon instead of a determination to drive them out of the state.
