Measure, Appointment or Topic: HB3362

I oppose HB 3362, the tire tax bill. This proposal will impose an unfair tax on every tire purchased, but the funds will be diverted to fund mass transit and environmental programs, which do nothing to address our immediate infrastructure needs. We cannot afford to divert funds away from maintaining and improving our highways. A tax on tires should and must go towards maintaining roadways in Oregon, and/or cleaning up the tire trash

I urge you to reject HB 3362 and focus on real solutions to fix our roads.
