Measure, Appointment or Topic: HB3362

Dear Senators

I oppose HB 3362. When our roads are in disrepair, another tax on tires, with revenues going to light rail and tire pollution is ridiculous. We need to cut waste, stop funding the failed light rail system, and work with the money you have. We already pay some of the highest taxes in the country. Stop making it harder on Oregonians to live here.

Sincerely,
Karen Schmidlin
