Measure, Appointment or Topic: SB1003

Where is the WISDOM in this plan, this proposed Bill. SB1003?

1. Why the hurry? Oregon already allows people a short 15 day window, a small window of opportunity to reconsider, to contemplate, a small gesture in attempt to ensure that such a decision is not made under duress. What is the WISDOM in removing such a time period?

2. Do you not realize that family members are often called upon to administer these death drugs ? Where is the WISDOM in rushing this decision?

3. How can the increased ease to obtain drugs of death be considered WISDOM?

May the Spirit of Wisdom prevail over your decision. VOTE NO!
