

Submitter: Troy Hadley
On Behalf Of: Self
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3362

The state needs to live within it's means and stop making Oregonians pay for feeling good projects that don't help anyone.

This also doesn't have an exception for tires that use very little road. Industrial and farm tires should be exempted because these industries are the only ones that produce wealth every other job transfers wealth.
