

Submitter: Eric Levine

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: HB3652

Dear Chair Neron, Vice Chairs Dobson and McIntire, and Members of the Committee,

My name is Eric Levine, and I teach ELA at Cleveland High in Portland. I am submitting this testimony in strong support of HB 3652, which would make class size and caseloads a mandatory subject of collective bargaining in all Oregon schools.

Large class sizes and caseloads places unreasonable demands on teachers, making is less effective and leading to burnout and stress.

I urge the committee to do right by students and educators and support HB 3652.

Thank you for your time and consideration.

Sincerely,
Eric Levine
