I've grown tired of the poor leadership in Oregon. Time & time again we elect individuals who don't have Oregon's best interests at heart but instead ways of filling their pockets and those who don't have contributions or people who are lazy.

I oppose this whole idea. If you want to skip out on work then you should be EATING that- it is not the tax payers responsibility to cover funds for people who can't do their jobs- I don't care what your problem is! Able body- get to work!

I refuse to pay taxes for you people!
