On Behalf Of: Mr Oregon OPPOSES HB 3012
Committee: House Committee On Rules
Measure, Appointment or Topic: HB3012

I OPPOSE [HB 3012].

We have seen y the 'WOKE/ Progressive' attempt to influence the 'voter rolls' by youngsters who are prone to vote pre-programmed ideologies due to years of indoctrinations during their time at Public schools.

I must take this time to thoroughly ridicule [HB 3012] and hold out for public riddle the supporters of this tripe.

Empowering [16-17] year-olds to vote in school boards, is a veiled attempt to justify and permit voting in state and national elections in the near future. This tactic is not to embolden Democracy, not on your life. The contrivance is an evil method to impose a communist doctrine and to control indoctrinated youth, to vote and increase Leftist/Communist control of our government.

This gambit has been tried before it was defeated in the past as it should be currently.

Those that have supported [HB 3012] should be boiled in political oil and summarily voted out of office with extreme prejudice.

David S. Wall
Mr. Oregon Concur.
