

Submitter: Nicole Chaisson

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB1098

I am writing to express my concern about the presence of children's books containing sexual acts in schools and libraries across Oregon. Such content is inappropriate for young readers and does not align with the educational mission of these institutions. I urge you to reconsider the inclusion of these materials to ensure our children have access to age-appropriate resources.let kids be kids!
