

Submitter: Matthew Chaisson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

I am writing to support sustainable logging in Oregon's state forests. When managed responsibly, logging provides renewable timber, supports local jobs, and maintains forest health by reducing wildfire risks and promoting biodiversity. Oregon's commitment to sustainable practices ensures a balance between economic needs and environmental stewardship. I encourage policies that continue this vital industry while preserving our forests for future generations

Matthew Chaisson
