Committee: Senate Committee On Early Childhood and Behavioral Health

Measure, Appointment or Topic: SB702

I am a Portland resident, parent and pediatric oncology nurse. I am writing to encourage you to vote yes on SB 702, to prohibit flavored tobacco products. Products like candy-flavored e-cigarettes, minty menthol cigarettes, and dessert-flavored little cigars are starter products the tobacco industry uses to lure kids – plain and simple. These products are fueling our state's youth nicotine addiction crisis, and they have no place in our communities.
