Lane County has the "F2" designation (Impacted Forest Lands) on my 22 acre parcel that is flat open farmland that our family has been with for 70 years. Can you please include this designation along with the general definition of "farm or forest" land? I believe many other farmers are on F2 land as well so please help us by including this designation in the bill. Thank you, Scott Duckett, The Farm Up Lost Creek, Dexter, Oregon.
