

Submitter: John Wyland

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3012

Another terrible idea created by our current leaders of this broken state. Why would anyone think a 16 & 17 year old can make smart decisions at this point in their life. Maybe 5% would have any interest in VOTING AT ALL. I am confident this will cost the county's much more then the benefit of trying this experiment.
