

Submitter: Cathy Blaylock

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

The replacement of vehicle tires is an expensive family budget item. Taxes increase the costs. Families struggling with the cost of tires may drive on unsafe tires, leading to accidents and injuries. With the current state of inflation, and families currently making difficult choices about spending, it's not the right time to add taxes to tire purchases.
