

Submitter: Seri Lopez

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Reading this bill to call upon Oregonians AGAIN with ANOTHER Tax for OTHER Projects which we did not VOTE for is UNBELIEVABLE. This needs to STOP. We do not need to tax our tires. Give it a break! We need to be responsible with the tax monies already provided by taxpayers. Where does all our tax money go? Maybe we need DOGE here in Oregon. Let's vote on that and make it happen.

Kindest Regards,
Seri Lopez
