Measure, Appointment or Topic: HB3362

We are writing in staunch opposition to HB3362.

As a single-income family of 5, we simply cannot afford another hidden tax to pay for non-essential government programs.

Moreover, as a Willamette Week article dated 2/26/25 detailed, ODOT recently made a one-billion-dollar budget error in their 2023-2025 budget. Under no circumstances should ODOT be entrusted to administer any new programs or receive any additional tax-payer dollars until serious changes at the agency are made.

We urge you to vote no on HB 3362
