

Submitter: Sherri Arnold

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

I oppose this. Oregonians pay for enough taxes on things already. Residents are moving from Oregon because it is becoming too expensive to live here. Instead of taxing us working folks to death, stop giving so much money to people that don't work. Put restrictions on Foodstamps. No sodas, energy drinks, fancy coffees.
