Good Afternoon -

I have been a small business owner for 21 years. The past 5 years have been without a doubt some of the most challenging for my business. Having the CAT assessed on my business' GROSS receipts is not only a detriment to my business, but it puts undue burden on my small business when I have had financial losses over the past 5 years! I am a woman owned business and I provide living wage jobs for 11 employees in our rural community. I urge you to support this bill, and support the small businesses of Oregon!
