Hello,

I am providing testimony today in support of HCR 17, Recognizes and honors Cambodian Americans in Oregon and the United States and all those lost in the Cambodian Genocide. As a first generation Cambodian American I have lived first hand the contributions of the Cambodian people to our society as a valuable asset which has further enriched the people and neighborhoods in our communities. I am proud of the growth and perseverance of our culture in the United States and believe this is a well deserved recognition.

Thank you.
