Measure, Appointment or Topic: HB3362

NO TAX ON TIRES. As a business we purchase many tires for our company vehicles. We do not want, we do not agree with, we oppose any new or additional taxes on tires. Keep your hands out of our pockets. We currently pay enough taxes, you currently have enough tax money and do not need anymore. Read the room people. Live within your current means. NO NEW TAXES PERIOD.

Thank you,

Keith Thompson
