Measure, Appointment or Topic: HB3012

Minor should not be allowed to vote regardless of what election, whether it be local, State or Federal elections. Minors are often not informed and don't take the time to get informed to make a proper decision. They often don't pay all of the taxes adults do and don't own property, paying property taxes. Minors will often just follow the crowd and don't have mature enough brains to comprehend the results of their decisions. Minors cannot buy nicotine products, alcohol, get tattoos, enlist in the service, buy guns or ammunition. 16 year old's can't even drive with other kids in the car but you want them to vote on very important school measures/people.

No to minors voting on any election.
