On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Dear Co-Chairs Gorsek and McLain and members of the Joint Committee on Transportation,

My name is Anand Vaidya and I live in Portland. I support House Bill 3362 and I urge you to vote for it. Along with record breaking numbers of Oregonians last year, I rode Amtrak Cascades last year and along with 31% of the state's population, I do not drive. HB 3362 will connect our state better, providing sustainable and accessible ways for all of us to get around.

Sincerely,  
Anand Vaidya
