On Behalf Of: Mr Oregon OPPOSES HB 3504
Committee: House Committee On Education
Measure, Appointment or Topic: HB3504

I OPPOSE [HB 3504].

From the TEXT of [HB 3504], "...SECTION 1. In addition to and not in lieu of any other appropriation, there is appropriated to the Teacher Standards and Practices Commission, for the biennium beginning July 1, 2025, out of the General Fund, the amount of \$2,054,491, which may be expended to fund nine additional full-time staff positions at the commission to support student safety and adult accountability in the education system of this state...."

[HB 3504] serves to grow the bloated bureaucracy known as, "The Teacher Standards and Practices Commission."

The Teacher Standards and Practices Commission can be viewed below.

[HB 3504] has a budget allocation of [\$2,054,491] from the GENERAL FUND is a waste of resources.

[HB 3504] reveals the need to 'downsize' the Teacher Standards and Practices Commission.
