Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB951

Dear Legislators:

Please support SB 951. Let's require doctors' clinics to be run by the Oregon licensed doctors who work there. Profits take a front seat and patients take a back seat when outside corporations and/or doctors who don't work at the clinic—and may not even be licensed in Oregon—are allowed to manage the facility: to dictate prices, appointment lengths and more.

Thanks for your work to put guard rails on the profit- based approach to healthcare services.

Sincerely;

Brenda B. Gould
