

Submitter: Sylvia Colasacco

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Too many taxes and punishes people who must commute to work. Especially in light of no longer being able to work from home in the City of Portland.

Public transit has gone downhill in safety and people shouldn't be forced to use it to avoid the taxes on tires. Just another grift from special interest groups that squander our hard earned money.
