

Submitter: Dale Sorensen

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

We are a small contractor with 5 employees that has one dump truck and one low boy truck to move our equipment. As you are likely aware trucking is already a loser for us due to the fees and taxes we pay on the trucks with our limited moves. Taxes are already high and this added tax would continue to nickel and dime our business pulling from what little revenue we have.
