On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

This bill is an abuse of power from the Timber industry. It's not necessary, and is in fact detrimental to the livelihood and well being of our communities. Since it benefits so few, and has so much potential for harm, i hope you will find good reason to oppose it from passing.

Thank you,
Jed Campiche
