

Submitter: Susan Lacer

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB1098

As a lifelong reader, I am writing to urge your support of Senate Bill 1098. It is unfortunate that the fundamental freedom of Oregonians to read what they wish is currently threatened. Every student should be able to access reading materials they choose, free from discriminatory decisions by those in administration who would try to restrict that access because of book contents including race, gender identity, sexual orientation, or other protected status. Oregon students deserve to have access to books and materials that are accurate and representative of their life.

Thank you for your service on behalf of Oregonians.
